I am objecting for 2 reasons. The first is the impact on highway safety and traffic on Owl Lane and Chidswell Lane. Chidswell Lane will be used as a short cut thus creating a danger to residents in Gawthorpe, people walking for recreational purposes and children using the playground at the Gawthorpe end of Chidswell Lane. There will also be an enormous build up of traffic on Owl Lane in both directions adding greatly to the congestion which already exists at peak times as well as to the safety of people and vehicles turning in and out of all entrances/roads on Owl Lane. I am also objecting to the effect on the landscape and character of the area. Building on the green land will have a devastating effect on the wildlife. There is not much green land in this area and to build on what there is will destroy the character of the area.
