Planning Statement

7a Uplands, Birkby, Huddersfield, HD2 2FS

- Introduction of proposed business

It is my core belief that all children and young people needing substitute care, whatever their physical or mental abilities, should have the opportunity to live in a family orientated environment. That the care is of a high standard, and it is the responsibility of all those involved to provide a high quality service. This is what this business is set out to do.

- Setting

The care setting will be of a 3 bedroom dwelling for young people going into adulthood
The house has an additional room for an office and staff sleep in nights.
There will be a manager and 1-3 members of staff at any one time.
The shifts to cover will be 7am-3pm, 3pm-10pm and one sleep in night or potentially one waking night from 10pm-7am.
There will be no modifications to the building outside or inside from how it is.
There is parking for 3-4 cars on site and then there is parking available at a 20 second walk from the property road side where there is ample space also.
