Postcode:	

User comments

Type of comment: A general comment	
Do you wish your comments to be published on the website anonymously?	Yes
Hello Planners, please pay special attention to the issues that are faced today regarding parking and congestion in this area. Having another development will only add further to this issue. Also the road that is used for entrance to these premises is single track and difficult to drive down. Also how is the new building going to fit into the aesthetics of the area sitting on a hill.
