Before I go to the library

I'm going to Birkby and Fartown Library.

About the library

There are people who work at the library who I can talk to.

The library is usually a quiet place where people talk quietly, relax, and read books.

Sometimes it might be noisy. If it's noisy, I can talk to a member of staff.

How do I become a member of the library?

When I get to the library I will see a desk.

I will talk to a member of staff to help me become a member of the library.

I will tell them my name, address, date of birth, telephone number and email address.

Then I will be given a library card and talked to about how to borrow books and use the computers for free.

When I visit the library

In the library there will be shelves of books.

I can sit in a chair to read a book.

I can borrow books and take them home with me.

If I want to borrow a book I will talk to a member of the library staff.

When I visit the library

A member of staff will show me how to borrow my books and tell me when I need to bring them back to the library.

The library will also have Wi-Fi and computers I can use for free.

To use the computers, I will need to talk to a member of staff.

There are toilets I can use in the library.

When I have finished

When I have finished,
I will leave the library.

When I have finished,
there is a garden that I
can sit in.
