Good afternoon, I am objecting this extension It will cause an impact on the street overcrowded people and vehicles and too many vehicles which will cause an obstruction on Emergency services and public services this is not very safe and dangerous for all the neighbours . I'm sure he would need an HMO license and fire regulations as he does not have any smoke detectors I don't think he has applied hmo license or mentioned to the council . He already has four vehicles parked outside 2 street & 2 on drive way no including his big, Luton van, which is always parked end of street The Gunnel blocking entrance also we have no which he uses for his bed deliveries regards
