Consultation Response:
Kirklees Council Conservation & Design (Biodiversity)

Is this a response to an informal consultation request? Yes ☐ No ☑	
Date	*20/07/2017*
Officer responding	*Tom Stephenson*
Application number	*2017/91114*
Purpose	*Review of submitted ecological information, pre-determination*
Location	*44, Scar Lane, Milnsbridge, Huddersfield, HD3 4PN*

Assessment and Recommendation

The submitted report confirms that the site is not used as a roost site for bats, therefore no mitigation is required in this respect.

Ecological enhancement should be provided in line with chapter 11 of the NPPF, in the form a bat box installed integral to the new extension.
