The inclusion of a Juliette balcony will enable the occupants to look directly into our lounge, bearing in mind we have a bifold door, our entire room will be visible. By converting the garage to other rooms, the loss of parking by a road junction could be deemed hazardous should vehicles be parked kerbside. A garage should be seen as a necessity for a 5 bedroomed house. We are concerned that work has already started on the property on Friday 24/11/2023, prior the planning permission being granted.
