

Challenge and Matrix Card

The Challenge and Matrix cards provide professionals with a resource that can explore both Islamic and Right Wing extremism.

The Matrix Cards help are designed to engage young people in dialogue about themselves and their community and can be used to explore Islamic extremism and to develop resilience and critical thinking.

The Challenge Cards explore key issues with young people around far-right views and will provides young people with the opportunity to express their thoughts and feelings in a safe space.

Safe space

Resilience

Far right

Critical thinking

Islamic

Dialogue
