to whome it may concern I wish to object to the change of use of no. 45 Manor park for the following reasons 1 the change from a residential house to a buisness as a childrens home 2 this ia s semi detached property and as such the change would impact the adjoined property 3 the change will cause a problem with trafic on this residential estate which can be very busy at times even with the no vehicles except for access sinage (which is not enforced at all) 4 the application states that there is parking for 4 vehicles plus a minibus. There is not the space at the property 5 the sort of people that this may attract 6 this estate has a majority of older persons so I can not see how the age group of children will be able to easly intigrate into this community 7 with the type of children that are described in the application any incident on this estate will automaticly put them under suspicion which is not fair on them 8 the change would devalue all the properties on the estate
