Dear Mr. Taylor

Town & Country Planning (Tree Preservation)(England) Regulations 2012

Work to TPo(s) 10/15

I acknowledge receipt of your application of 12-Mar-2018 for the above application. The Council have 8 weeks to process your application and will endeavour to make a decision on or before the 07-May-2018.

If you have any questions in relation to the application then please contact the trees team on 01484 414909 or via e-mail to trees.planning@kirklees.gov.uk. Please quote application number 2018/91318 in all correspondence with us.

An officer of the Council will visit site to assess your application. Due to the large number of applications received, tree officers make multiple site visits in a day, and so are unable to make booked appointments.
