My name is and I live at Hepworth Lane Mirfield, WF14 0PR.
I wish to object against a planning application 2025/93355 on the grounds of safety.
Hepworth Lane cannot take anymore traffic without causing a serious safety concern, the Lane is far too narrow for cars now to pass each other, especially at chaotic School Times when people park and reverse up the Lane. The thought of another 75 homes being built and using this lane to connect is beyond belief. Car drivers do not obey road signs now and go too fast in any direction they want up this Lane.
Hepworth Lane would become a total hazard for anyone with children or even the elderly like myself. I object.
