my wife as put her objection in know it's my turn
12A Hepworth Lane

I formally object application 2025/93355
The lane is very narrow in places for two cars and with this email am sending two photos of the parking just out side are property and they not even are cars it's going to be far too dangerous for the school children walking up and down to school and I think you forget this is a lane not a road alot of horse lovers come up the lane riding last year 7 horses got out of the field galloping up the road it will not be safe at all .

p.s we use in the same email address me and my wife .

my name is and Husband an son
we wish to formally object application 2025/93355 on the grounds that Hepworth Lane cannot safely accommodate the extra traffic the development would generate.The land is too narrow in place's for two cars to passant lack of footpaths facing both vehicles and pedestrians _especially schoolchildren-to share the road,which increases the risk of congestion and accidents.
we all three reject
12A Hepworth Lane
Mirfield
WF14 0PR

kind Regards
