My name is and I live at 4 Hepworth Lane, Mirfield, England, WF14 0PR . I wish to formally object to application 2025/93355. My concerns are the traffic congestion caused by the development. The idea of turning left only out of the new estate onto Hepworth lane will make it near impossible to enter Hepworth lane from the top of shillbank lane especially when the school on Wellhouse lane empties. The new estate will become a rat run to Ravensthorpe . Hepworth lane has no pavements for the first 100M or so and is already dangerous.Two cars can't pass at its entrance as it is too narrow. Hepworth lane is already dangerous from speeding cars as it is a shortcut to the school and old bank. Serious thought to traffic congestion caused by the development required.
Regards
