I would like to strongly object to this proposal that has again come to light. -Far too much green belt land is being destroyed for housing and this has a serious impact on wildlife and the environment. -The infrastructure will be severely impacted with the amount of extra traffic. 75 households average of 2 cars per household, Greenside Road, Jenny Lane, Wellhouse Lane and Hepworth Lane will not be able to handle the extra volume of traffic. -Huge impact on local amenities, Mirfield is becoming overpopulated and this will put a strain on schools and doctors. Overall an unnecessary development that will hopefully be disbanded for good.
