Wellhouse Lane is already a busy place and reports from Bellway seem to be playing that down . There are two schools so it is busy from 7.30a.m until 9.15 a.m. Then again from 2.00pm until 3.45pm . A lot of people picking children up park across drives leaving no passing points and causing traffic to be gridlocked .
The site proposed by Bellway is home to various different kinds of wildlife including foxes , kestrels and buzzards to name but a few .
Driving down Wellhouse Lane and a bit further down than the Cricket Club ,any on coming traffic from Flash Lane has to pull in as two cars cannot pass at this section . This is sometimes at the detriment to pedestrians who have to get on residents drives to avoid been run over by people driving with two wheels on the pavement . Ive also witnessed many near crashes from traffic coming up Hepworth Lane to join Wellhouse Lane and pulling out on traffic coming either up or down .
I am a resident of Wellhouse Lane and all my deliveries have to be planned to avoid school times . At these times it is unfair to arrange a delivery from a lorry or van knowing they will find it difficult to get up or down Wellhouse Lane . We also avoid leaving the house at school times if possible because of the sheer volume of traffic . Thats if our drive isnt blocked anyway .
Common sense has to prevail , maybe Wellhouse Lane was once a horse and cart track ,at some parts its still only as wide as one . It wasnt built for the huge volumes of traffic already on it at certain parts of the day , nevermind more .
