Subject: My Objection to Bellway 2025/93355

To whom it may concern, I live in Mirfield, but daily walk or use a taxi to the area in question. Also my Grandsons attended Crossley Fields school around 10 years ago.
I am objecting to the Bellway Homes proposed building on land off Woodward Court, the roads around this area will not cope with extra traffic , it was bad enough 10 years ago with cars mounting pavements at school time due to the amount of traffic around . Crossley Lane is also getting unsafe to walk down especially around school times . I heard that the review of traffic took place at 11am and 2pm which will not give a good reflection of the amount of traffic at the busiest times.
