Subject: Planning application 2025/93355 Land off Woodward Court

Categories:

Good Evening,

My name is and I live with my husband and son at 26 Wellhouse Lane, Mirfield.

I want to say what a fiasco Bellway homes are making to the areas surrounding the building application off Woodward Court. Yellow lines seems to be the answer to Bellway Homes getting permission to build 75 plus houses. When in reality it is just going to cause more disruption.

All the residents of Woodward Court, Wellhouse Lane and Hepworth Lane do not seem to matter. We have a Cricket Club situated on Wellhouse Lane, where plenty of people come to support their local club, A football field where youngsters come to with their families all in transport. Parking is also needed up Wellhouse Lane for local residents who do not have a driveway to park their cars on. Placing double yellow lines is going to have a huge impact that with disrupt everybody's lives. Having another 75 homes built will mean more cars and our small roads will not be able to handle the amount of traffic.

I believe Bellway homes need to rethink their plan or even better not build the houses at all.

Regards
