

KIRKLEES COUNCIL

(TRAFFIC REGULATION) (No.2) ORDER 2023

**Albert Street, Bath Street, Bridge Street, Crowther Street, Fair Street,
Lockwood Road, Meltham Road, Mount Street, Neale Road, Summer Street,
Swan Lane, Lockwood, Huddersfield**

Statement of Reasons for proposing to make the order:

This order is proposed to introduce a number of parking restrictions across this area as part of a major project to improve Huddersfield Southern Corridors includes a scheme covering A616 Lockwood Road / Bridge Street / Albert Street / Crowther Street. Included in this scheme is a new link road from Lockwood Road to Albert Street.

The proposed traffic regulation order covers restricting loading and unloading to outside peak hours on Lockwood Road and Albert Road; no waiting or loading at any time where the bus lane has been revoked on Lockwood Road; limited waiting on Lockwood Road and Bridge Street; and an electric vehicle charge point on Crowther Street

The implementation of this is expected to reduce congestion for all road users, while still offering parking to those wishing to access the businesses along the route.
