KIRKLEES COUNCIL

(TRAFFIC REGULATION) (CONSOLIDATION ORDER PROVIDING ON-STREET PARKING PLACES, WAITING, LOADING AND STOPPING RESTRICTIONS AND MIGRATION TO A 'MAP-BASED' FORMAT) ORDER 2024 (AMENDMENT NO. 11) ORDER 2025

Northumberland Street, Huddersfield

Statement of reasons for proposing to make the order

This scheme is as part of the Huddersfield TCF regeneration of the town centre to improve pedestrian and cycle infrastructure going into the town centre and rail station.

The introduction of double yellow lines in place of some existing parking bays on Northumberland Street is intended to improve traffic flow, enhance safety, and deter illegal or obstructive parking. By preventing vehicles from stopping in these areas, the double yellow lines will help maintain clear sightlines for drivers and pedestrians, reducing potential conflicts and improving road safety.

The restrictions will help keep key areas free from obstruction, contributing to a safer and more efficient road network.
