KIRKLEES COUNCIL (TRAFFIC REGULATION) (CONSOLIDATION ORDER PROVIDING ON-STREET PARKING PLACES, WAITING, LOADING AND STOPPING RESTRICTIONS AND MIGRATION TO A 'MAP-BASED' FORMAT) ORDER 2024 (AMENDMENT NO. 11) ORDER 2026

QUEEN STREET SOUTH, HUDDERSFIELD

Statement of Reasons for Proposing to Make the Order:

As part of the proposed highway realignment scheme on Queen Street South, Huddersfield, amendments to the waiting restrictions are required following the decommissioning and infilling of the former underpass.

The highway layout will be altered as part of the scheme, including the installation of new highway and pedestrian infrastructure. Consequently, a number of the existing waiting restrictions will no longer align with the revised road layout and require amendment.

The proposed Order will revoke sections of existing waiting restrictions that are no longer appropriate and introduce new lengths of "No waiting at any time" restrictions where necessary.

It is considered that these proposals will improve highway safety, maintain the free flow of traffic, protect pedestrian movements and ensure the efficient operation of the highway.
