2019/90614 Adj 106 Royd Street, Milnsbridge

Highway Development Management's (HDM) comments for the above application as follows:

This application seeks to discharge condition 6 on previous permission 2015/91261

Condition 6 – Notwithstanding the details on the approved block plan, before development commences plans detailing arrangements for access, layout and parking to the private parking areas/courtyards and service areas, and the surfacing of any new parking areas, shall be submitted to and approved in writing by the Local Planning Authority. All of these areas shall be completed in accordance with the approved scheme before any part of the development is brought into operation.

Further to submission of block layout ref (AIC004/007/REV-B), it is indicated to provide four additional parking spaces to the rear of the proposed building, it appears the existing informal parking arrangements are to remain in the vicinity of the adjacent building (no 106).

This is considered acceptable from a highways prospective, as such Condition 6 can be discharged as required.
