DEAR MR TAYLOR,

IN REGARDS OF PLANNING FOR CAMPING FACILITIES (APPLICATION Nº 2019/90988) I AM AGAINST THE PLAN.

1) THE OPENING DOWN TO THE CAMPSITE IS ON A VERY BAD BEND AT THE TOP OF WARGHOUSE HILL RD CARS GO DOWN THE HILL AT HIGH SPEEDS, PLUS THERE IS NO FOOTPATH ON EITHER SIDE OF THE ROAD AT THE OPENING.

2) IF CARS ARE COMMING OUT OF THE SITE YOU CANNOT SEE CARS ON MARSDEN LANE TILL YOUR OUT INTO THE ROAD.

3). ON A NIGHT TIME ITS VERY DARK IN THAT AREA. ITS NOT SAFE, CARS AND PEOPLE COULD END UP IN THE CANAL.

4) THERE'S TOO MANY CARS USE THIS AREA (MARSDEN LA). WHEN FESTIVALS AND OTHER EVENTS ARE ON ITS UNFAIR TO ALL THE PEOPLE WHO LIVE ON HERE TO HAVE MORE TRAFFIC USING IT.
