Dear Sir/Madam

-5 DEC 2019

I have just received (2) copies of a letter of application for planning permission 2019/90988 which may or may not affect my opinion as to approval or disapproval. Your letter was dated 14-Nov-2019 & was hand delivered through my door at the above address & time. It demands that you receive any comments by 05 Dec. 2019! The comments will only be received by post ~~of~~ or e-mail. As a writer, you may guess that I do not use e-mail and I don't expect a reply from you by any other means. (SAE enclosed!)

How can this be a fair and legal way of dealing with anyone who might have good grounds for opposing this application?

I can't post this letter until to-morrow

Yours faithfully
