Comments

The application form states no development is required. The application is made as prior to 2019, the property was semi-commercial. In 2019 it was changed to fully domestic and the applicant would now like to change it back to semi-commercial.

Recommended Conditions

NO1 No Objections

I have reviewed this application and supporting documents and do not consider there to be any significant environmental health impacts with this development. Therefore, I have no objections to permission being granted for this development.
