

KIRKLEES COUNCIL

HOLMFIRTH TRO No 36 2021

Woodhead Road, Honley

Statement of Reasons for proposing to make the order

To support the planning permission of application no. 2021/62/92206 for Land Off, Woodhead Road, Brockholes, Holmfirth changes to the cycling facilities are proposed.

A new access will be created for the development, of the erection of 137 homes with open space, landscaping and associated infrastructure, on to Woodhead Road (A6024) and there is currently an advisory cycle lane at this access point. This traffic regulation order seeks to make this a Mandatory Cycle Lane across the new access. The existing advisory cycle lane will become a Mandatory Cycle Lane for 211m across the new vehicular access.

It is intended that these proposals will facilitate the free flow of traffic on the road concerned and improve road safety for cyclists.
