Then what is the problem that Salendine Nook Shopping Centre bosses have? Aaah yes! SAINSBURY'S, there biggest paying tenant. If they pulled out the centre would be up the creek without a paddle.
Oh, by the way, a lot of the signatures on the petition against Lidl were by asking the school kids. I saw this on many occasions.

But the main reason I am for Lidl is that there have already been too many new houses built around this surrounding area without thought about the burden on local schools, doctors, roads etc.
Kirklees is a massive area, build new houses elsewhere!
