Dear Planning Officer
Please can I add my support for the new Lidl store at New Hey Road. I feel that this would be a great addition to our Local shopping options. I would like the choice of where I would like to shop, I feel the other shops in the area should welcome the competition which would mean more competitive pricing. We have already had more than enough housing built within the local area, with little or no infrastructure to support it. Please allow Lidl the chance to serve our local community just as you have already allowed Aldi.
