About the application

Application number: 2021/94719	
What is the application for?:	Reserved Matters application pursuant to outline permission 2018/91838 for erect
Address of the site or building:	Land Off, Burn Road, Birchencliffe, Huddersfield, HD3 3BT
Postcode:	OL9 9LB

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes

With this application plus the application for the two fields off Yew Tree Road, we are realistically looking at another 100 cars (2 per household) using these very narrow roads and dangerous junctions at Burn Road / Grimscar Road and Yew Tree Road / Halifax Road.

Having lived with the mysery of a construction firm that continues to refuse to keep the public highway in a clean and safe manner, I don't look forward to two key routes from my home becoming covered with slippery mud either, for the foseeable future, as no-one holds building firms to account.

I am also very concerned by the loss of wildlife habitat as I have seen rabits, stotes, and deer in those fields, plus badgers, bats and swallows in the vacinity.

Drainage is also a huge worry as there is a watercourse running through the field, the area has natural springs, and more concrete could adversly affect how surface water drains away.
