Subject: application Number 2022/90044 The Cliff, 62 High Strre, Clayton west, Huddersfield OBJECTION
Date: 20 January 2022 10:15:38

To who it may concern

We the joint owners of 21 Holmfield Close, Clayton West as of November 2019 and therefore we have not previously had the opportunity to make an objection.
Myself and my partner wish to make an objection regarding Dwelling No 4.

1. This Dwelling will overlook our property due to its height and therefore this will create privacy issues.

2. It will create a shadow thus preventing any light from coming into my garden and as the light is already restricted because of the trees, I do not want any further light restricted caused by the erection of this dwelling.

I anxiously await your reply

Regards
