OFFICER RECOMMENDATION

DISCHARGE OF CONDITION A.4 , SCHEDULE 2, PART 1, CLASS A GENERAL PERMITTED DEVELOPMENT ORDER

1. Procedural Matters

Prior notifications for the erection of single storey rear extensions to dwellings are considered against the requirements as set out by the Town and Country Planning (General Permitted Development)(England) Order 2015 (as amended) Schedule 2, Part 1, Class A, condition A.4.

Proposals pursuant to Class A are permitted subject to limitations set out in paragraph A.1 and in the case of Class A.1 (g) subject to the discharge of condition A.4. This proposal relates to development pursuant to Class A where condition A.4 is engaged and for the purposes of this assessment only the limitations for Class A.1 (g) and requirements of condition A.4 are considered. Other limitations within Class A are not considered other than where, in the opinion of the Local Planning Authority, the development does not comply with the limitations within Class A of the Order. Ultimately the responsibility to ensure the development is carried out in full accordance with any planning permission rests with the applicant or property owner/occupier.

Consultation start date : 23rd August 2024

Consultation end date : 13th September 2024

1. **Objections**

2.1 Summary of representations:- None received.

2. **Assessment**

There appears to be an existing conservatory extension to the rear of the property however this is to be removed and replaced with the proposed extension and therefore the new addition will extend from the rear wall of the original dwellinghouse. Therefore, the proposed extension is considered acceptable.

No requirement to assess amenity as no representations have been received.
