Electricity Act 1989: Overhead Lines (Exemption)(England and Wales) Regulations 2009

It is proposed to undertake the following work that is considered to be exempted from the Electricity Act 1989 by falling within the Overhead Lines (Exemption)(England and Wales) Regulations 2009:

Electricity Supply –

1. Erect a single 9 metre 11kv wooden pole
2. Install 200kVA transformer on new pole

This apparatus is required to provide a new supply of electricity to the sports facility at the above location.

The location of the new pole and transformer has been chosen so as to cause minimum disruption and is considered to be the most acceptable.

The Council/Authority is requested to indicate that it has no objection to the work being carried out by returning two copies of this Form with the Certificate completed and signed.

Yours faithfully,

Richard Muldoon
