We think the addition of the fence and gate greatly add to the privacy and security of Spring Hall Mount and are certainly in keeping with the surroundings. Spring Hall Mount has been tastefully and sympathetically improved over the last 14 years and is a credit to the owners of the property. Whilst not wanting to comment on 'Neighbour' issues, I can understand why a substantial wooden fence is required to hide/cover the pile of pallets. Regarding the gutters, they look to be perfectly in keeping with the building and should be an excellent replacement for the existing rotten wooden gutters.
