

Community Asset Transfer Process Flow Chart

The above flow chart shows a basic process for an asset transfer.

Support is offered by the Council at all stages of the process to enable to work through each stage in more depth.

The process is complex and timescales are difficult to estimate as each transfer has its own issues to overcome and terms to agree. Realistic timescales for a transfer from start to completion could be 10-12 months, though if there are complex legal issues it can take longer.
