Please note that the application and various plans incorrectly state that the proposed development is adjacent to Stoneleigh Mews: in fact the building to which it is adjacent is Stoneleigh Pavilions. The Mews, and also Stoneleigh House are entirely separate buildings with a different freeholder. Sadly there is sufficient confusion between the three properties without further aggravation. could I please ask that the application and any associated paperwork is amended before a planning decision is made. I would also welcome a reply to this comment. Thankyou
