Consultation Response from KC, Trees
2025/90618 Kirklees Council Building Services, Flint Street, Fartown, Huddersfield, HD1 6LG
Erection of temporary single storey office /induction building, the provision of parking for approximately 200 cars, EV charging stations and associated lighting and utilities
Date Responded: 08/05/2025 Responding Officer: JD Responding Ref:

There are no protected trees within or adjacent the site and any internal trees are of low value providing very little amenity.
There for any of the internal trees removal would be acceptable to facilitate the development.
The only area of caution would be on the northern boundary where some more mature trees are situated just outside of the site. These trees are likely to have the majority of their Root protection areas outside of the site due to off setting from the tarmac within the site.

There are no objections and no further comments.
