| My name is and I live at 10 Flash Lane, Mirfield, WF140PH. I wish to formally object to application 2025/93355<br>On the grounds that Hepworth lane cannot safely accommodate extra traffic the development would bring. It would also add to the normal daily traffic that goes up and down flash lane with a minimum of 300 new vehicles (two cars per household) it is hard enough reversing in and out of my property as it is. Also it would have 100s of trucks going up and down flash lane daily and the dust it would bring onto my property. I strongly oppose to the new application. Not to mention the noise pollution | |
