| Traffic is already ridiculous particularly around school times and when matches are played on weekends. Parking is a nightmare. Site is surrounded by very narrow lanes which are already unsuitable for the amount of traffic, so this will add additional pressure. Children walk to school on these roads and there have been instances where cars are mounting pavements. The lane that Bellways vehicles are driving on is extremely narrow and has houses either side. One of these houses has had their fence damaged as the vehicles squeezed through.<br>In addition, this is a small village where people are already having difficulty accessing school places, doctor and dental services so an additional 75 houses will mean further strain on these services. | |
