Dear Sirs

I wish to object to the planning application for the development of houses on land to the west of Bankfield Drive, Holmbridge.

My objection is based on the fact that Bank Lane is already a very busy road. School children walk along this road without the safety of a footpath!

Heavy vehicles employed by Yorkshire Water use this road to the reservoirs.

The exit from Millfold is precarious to say the least.

I trust the Planning Service will consider these points + not allow the addition of another 16 houses which will add considerable additional traffic to the already busy access road of Bank Lane.

Yours faithfully
