Appendix A – Climate Change Statement

Climate Change Statement for Planning Applications

Part 1: Applicant details

Name of applicant/agent	G Royds
Site Address	Butchers Arms Towngate Hepworth HD9 1TE
Description of Development	Alterations to extraction system (revised scheme to planning application number 2021/93509)

Part 2: Climate Change Mitigation measures

Please respond to the following questions considering the measures set out in the Climate Change Guidance note:
Q1: What measures have been/will be taken to reduce the energy demand associated with your proposed development beyond the minimum required in Building Regulations? (See section 2)
Not applicable - application relates to an extraction system only.
Q2: What measures have been/will be taken to limit the carbon consumed through the implementation and construction processes, e.g. by reusing existing on-site materials or sourcing materials locally? (See section 3)
No construction work is involved aside from installing extract ducts.
Q3: What measures have been/will be taken to utilise renewable or low carbon energy sources? (See section 4)

Not Applicable due to nature of application
Q4: What measures have been/will be taken to ensure the building design and layout has been optimised to energy efficiency beyond the minimum requirements in Part L of the Building Regulations ? (See section 5)
Not Applicable due to nature of application
Q5: What measures have been/will be taken to reduce potential impacts of flooding associated with your proposed development? (See section 6)
Not Applicable due to nature of application
Q6: What measures have been/will be taken to reduce water stress associated with your proposed development? (e.g. Water retention and minimisation measures) (See sections 7 and 8)
Not Applicable due to nature of application
Q7: What measures have been/will be taken to provide biodiversity net gains? (See section 8)
Not Applicable due to nature of application
Q8: What measures have been/will be taken to reduce air pollution associated with your proposed development? (See section 9)
See Odour Assessment submitted with application.
