The Planning Officer
MRS. Kate Chew
regarding Lumb Lane Nurseries
Planning Application No 2024/90625

Objection to proposals

Regarding the above changes at Lumb Lane Nurseries Can you tell me the reeson why my garden hedge should be cut down and why the road should be widened at the point of the joint with my garden.?

Also, why should you wish to make a new entrance to the site. I should like to see more details regarding changes, especially I'm interested to find out what other things you have planned for this site and where do you plan to put your garage etc

Thanking you

Yours faithfully
