The Site is "Scheduled Monument" for a reason. In order to protect it. If it is built on, then the protect
the Schedule is not performing its function.

We want Castle Hill to Remain a "Natural" site. Rustic and of antiquity. In Its Countryside Surroundir
fields. And as less urbanisation & buildings as possible.

Therefore in order to show that this planning application by Thandi is not the right decision for the ar

EXAMPLE 1 "Battle for Pensford Field Evidence"
Castle Hill should be used for projects more like this:

As for the Applicant, Thandi. We urge the Kirklees Council, to consider offering an alternative strateg

Which will provide a massive scope for Thandi to have an even bigger and better restaurant and spe
appreciate Castle Hill.

And then when visiting on site, no damage to the actual site.

Further to this.

I therefore hereby declare this interest and intention and Kirklees Council will obtain the requested c

Or even the petitioners who we have signed can even pursue or intend group ownership. Given that

Yet we believe it is not impartial. Therefore our "intention" to future preservation protects the site.
