I work for Kirklees and visit childminders as a job but my Grandaughter also attends the setting, it is very rare we have complaints from neighbours as dropping off and collection is very quick, noise is happy noise of children playing just like a school but a lot less children, and this is a service needed in Meltham as there are very few childminders now in Meltham and only 2 school nurseries, there is also a need for after school care in Meltham (Kirklees hat on)
