Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
As an older resident it would mean easier access to get out of the estate. We were promised this access when buying my new build for an easy walk into the village. It's a considerable longer way round currently especially for people with mobility issues. If it's made into a landscaped area who will pay for the upkeep and if it becomes a short cut without steps I can see a potential safety issue !
