Planning number.
17th April 2025

Dear Kerri

I am writting to object to the above Planning.

I hate to do this, as I have been on the other end of objections in the past.

But I can just see this causing accidents

Having 3 More houses with a min of 6 Cars in this postion on victoria street is crazy.

The houses opposite have no where to park so park straight accross from where these houses will be.

Making it difficult to get out at the top of the road on to chapel hill.

If the proposed houses have visitors and also park on the road it will be a hazard.

It is very difficult driving either up or down Victoria street, because of Cars.

When you get to the top to pull out onto Chapel Hill.

People are parked at the juction to the left onto chapel Hill

To my mind this is an accident waiting to happen.

yours
