20a Thornhill Road, Edgerton, Huddersfield, HD3 3DD

Heritage Statement

The existing garage is a 20th-century prefabricated structure, constructed from concrete wall panels with a corrugated asbestos cement roof. It is of no architectural or historic significance and does not contribute positively to the character or appearance of the conservation area.

Its removal will not result in the loss of any features of heritage value. The proposed demolition will be carried out sensitively, ensuring no harm to the surrounding environment, and the cleared site will be left level and tidy.
