Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
I wish to object to this proposal as it represents overdevelopment in a sensitive rural location. The construction of a number of houses here would fundamentally change the character of the area, replacing open countryside with dense housing. The existing country environment is valued by local people for walking and outdoor recreation, and this development would erode that amenity. Once the countryside is lost, it cannot be replaced, and this scheme sets a damaging precedent for further building in rural areas.
