Application 2025/92459 has been submitted to Kirklees council to repurpose the site of 10A Regent Street, Heckmondwike, WF16 0HD from a taxi booking office and car park to a hand car wash.

The purpose of this petition is for people of the local area to contest the proposed new purpose based on the lack of community need for a hand car wash in this area, and concerns regarding the impact to local traffic, safety, and infrastructure.

In signing this petition, members of the community therefore wish to contest the plans on application 2025/92459. Additionally, as stated on the planning notice, we specifically request the names and address details of those signing be redacted.
