My name is and I live on Hepworth Lane.Mirfield. I wish to object to application 2025/93355 on the grounds of safety. The Lane is already busy with cars speeding and taking short cuts, not to mention the school traffic which always creates a big issues with parking and reversing in your driveway.People driving too fast for the narrowing lane which does have a blind exit at one end and a bad corner at the other. Children are not safe here due to traffic issues already, to have another 75 households entering this area is ludicrous, its asking for someone to be seriously injured. The lane narrows in parts which already causes trouble with cars and pedestrians. I totally object to this planning application.
