My name is I want to strongly object to planning application 2025/93355 on dangerous grounds. This small lane is already congested and dangerous without adding more traffic. Cars ,children , prams share this narrow lane . Cars can't pass one another it's that narrow in places there are no footpaths for the school kids and parents and prams to get of the lane. This is a lane not a road and pavement It could result in a fatal accident which I'm sure nobody wants
