Living in Wellhouse Lane for over 57 years we have watched traffic increase year on year.
The school dominates what time we leave our house and when we come home.
Moving in or out of our drive is not possible when school is starting or finishing!,
75 new houses would mean total chaos and gridlock as Wellhouse Lane is not wide enough to accommodate more traffic.
It would be horrendous whist the building work was in progress and even more so with potentially 150 more cars moving in and out of Wellhouse and/or Hepworth Lane once the builders leave.
People park on the pavements, across drives and on corners and bends, school buses are unable to pick children up or drop them off on occasions and tempers regularly get frayed.
Please reject this proposal and help to keep our children safe.
